SKILLS

Software Skills

Design Skills

Visual Identity	Illustrations
Packaging Design	Photography
Typography	Digital Marketing
Publication Design	Stop Motion Animation
Infographics	Website Design (inter.)
Iconography	Editing (inter.)

INTERESTS

Outside of design, I enjoy baking, capturing moments, reading or watching everything from comedies to mysteries. Jigsaw puzzles and stamp collecting help me unwind.

WORK EXPERIENCE

January-April 2026 | Graphic Design Intern |

Flying Elephant Designs

A Branding and Packaging Studio, I worked on my graduation project along with other projects involving packaging, social media, building brand identity and website design.

October 2025 | Freelance Product Design |

Bombay DC

May-June 2025 | Design Intern | Studio Plural

A Environmental Graphic Design Studio, in which I had the opportunity to work on live projects such as illustrations for murals, icon sets for signage, and orientation maps.

April 2025 | Visual Design Intern | Aaiba Design

A Branding and Advertising Agency, in which I had the opportunity to work on illustration based projects, a few social media posts for different clients, logo, brochure and website icons.

2022- 2023 | Marketing Team | iConnect

It is a student-led programme that conducts design sessions by industry professionals.

LANGUAGES

English, Hindi, Marathi, Tamil
